

06 FEBRUARY 2015

Pass it on...

ADVISORY: BUTTS ROAD TRAFFIC FLOW REALIGNMENT

Two traffic detours will be implemented in February as part of the ongoing roadway construction on Butts Road south of Titus Boulevard.

The first week of February, the northbound lanes of Butts Road through the Crow's Foot security gate will be converted to carry two-way traffic and southbound traffic will be detoured onto that section of roadway (see map at the link below). This detour is required as part of the reconstruction of the existing southbound lanes located west of the gate. This two-way detour is scheduled to be in effect until Aug. 1.

Mid-February, the short section of Butts Road, which crosses Infantry Creek and the tank trails will be closed for reconstruction. All Butts Road and tank trail traffic will be rerouted onto a temporary detour road located next to the closure. This detour is scheduled to be in effect until May 1.

Drivers are advised to pay close attention to the traffic signs and posted speed limits while moving through this construction zone. Drivers should anticipate some delays related to this construction and allow themselves additional travel time whenever possible.

For more information, call the Directorate of Public Works Traffic Engineering at 526-9267.

ADVISORY: CLARIFICATION OF INSTALLATION ACCESS CHANGES

Non-DOD/federal ID card holders will have a grace period until May 1 to obtain access passes. This grace period between Feb. 1 and May 1 will allow visitors time to present the proper paperwork and allow Fort Carson officials to streamline procedures. People who enter through Gates 1 or 3 can still use their driver's license until May 1. Individuals who have a current Fort Carson Form 1606 (green and white pass) can still access the installation as normal until the pass expires or May 1, whichever comes first. Those who access the installation using Rapid Gate access will be allowed entry until the expiration of the Rapid Gate pass.

ADVISORY: REVERSE DUTY CYCLE WORK SCHEDULE CHANGE

Fort Carson has adjusted its reverse duty cycle work schedule to begin at 9 a.m. in efforts to minimize traffic near Fort Carson in Colorado Springs and Fountain.

Soldiers will now have a duty schedule of 9 a.m. to 5:30 p.m. with physical training from 4 p.m. to 5:30 p.m.

We value our partners in the surrounding communities and have mitigated the impacts of the new schedule while also maximizing Soldier combat readiness by conducting physical training during warmer weather in the afternoon.

BLACK HISTORY MONTH POSTER CONTEST

A Black History Month poster competition takes place through Feb. 18. Participants can create a poster based on the theme for this year's Black History Month observance: "A Century of Black Life, History and Culture." Entries should be turned in by noon Feb. 18 at the 4th Infantry Division Equal Opportunity Office (6950 Smith St.), building 2351 on the second floor. For more information, call 526-4304.

Cybercriminals Target USAA Members

Overview:

Recent crime reports reveal a social media fraud scheme targeting USAA members. The scheme may target other groups or financial institutions because the techniques can be easily adapted.

Background:

The scammer, pretending to be an official representative of USAA, contacts a USAA member on social media (e.g., Facebook, Twitter, Instagram) claiming the member has won an award or is eligible for a customer incentive. In order to receive the award payment, the member is asked to pay a finder's fee, commission or service charge.

Conveniently, the fee can be paid from the proceeds of the award. The scammer asks for the USAA member's mobile banking credentials (username, password and PIN) and uses USAA's mobile banking application to deposit checks into the member's account. Then, the member is asked to electronically pay the finder's fee to the purported USAA official, usually through a wire or money transfer service like Moneygram or Western Union. Wire and money transfer services are used because traceability is often limited.

Predictably, the deposited award checks are not genuine and, after several days, are returned unpaid and charged back to the USAA member's account. While the deposits are fake, the money the member wires to the scammer is very real.

Most likely, the scammers surf social media content (images and comments) randomly identifying military personnel and their family members. Once identified, they are prime targets for the USAA scam, not because the scammer has specific knowledge of any actual USAA affiliation. Rather, the scammers shotgun their messages betting (and current reporting indicates good odds of success) that at least some of the recipients actually have USAA relationships.

If you are suspicious about any social media post claiming to be from USAA or you have been approached as described in this Cybercrime Alert Notice, please contact USAA at abuse@usaa.com. For similar scams involving other financial institutions, please contact their security department, the [Internet Crime Complaint Center](http://www.fbi.gov) or the [United States Federal Trade Commission](http://www.ftc.gov).

Reminder:

Verify through established channels the authenticity of anyone asking for your personal information, financial information, passwords, PINs and so forth, especially if you did not initiate the interaction.

Recommended Practices:

- Be suspicious when someone you do not know contacts YOU and asks for YOUR personal information.
- Never, in any social media setting, provide usernames and passwords to anyone; your bank will not ask for personal information, including debit card numbers and PINs.
- Verify, verify, verify! Contact the financial institution directly.
- Use a telephone number or email you know to be valid; look on the financial institution's website, the backs of your debit or credit cards or statements.
- DO NOT rely on the person who contacted you to provide a verification telephone number or email. Remember, you are verifying because you are skeptical of the person's reliability.

NO-COST ONLINE TAX PREPARATION AND FILING SERVICE

The Military OneSource no-cost, online tax preparation and filing service launches in early January 2015. If you are eligible under the Military OneSource program, you can complete, save and file your 2014 federal and up to three state returns with a custom tool made available through the Military OneSource website. You must start your return from the Military OneSource online tax filing link to access this no-cost offer. This year, the tax preparation and filing tool allows you to include rental property income, second mortgages and charitable donations. The tool also has these new features:

- **Optimized for mobile devices.** Start, continue or finish your taxes on any mobile device from within a mobile browser.
- **Product customization for returning users.** Returning users now experience a much deeper customized interview focusing on everything we already know about you.
- **Refund Reveal™.** Use this feature to see how and why your refund amount increases or decreases.

If you created an account last year through Military OneSource, your login credentials for that account will still work and you will be able to access last year's personal tax information.

- For assistance logging in to Military OneSource, please call 888-363-6431 or submit a support request form.
- For technical assistance with the tax filing tool, please call 800-472-5625.
- To learn more about the tax filing service, please see the FAQs.
- For any questions regarding filing an extension through the software, please contact a Military OneSource tax counselor (800-342-9647) for further information.

The Internal Revenue Service will begin processing e-file returns during January 2015. If you complete your returns with the service offered through Military OneSource prior to the Internal Revenue Service processing date, your files will be held in a pending status. Once e-file opens, the system automatically submits the return to the Internal Revenue Service.

Military OneSource tax counselors

If you have questions about this tax service or about your own tax returns, please call 800-342-9647 and ask to speak with a Military OneSource tax counselor. Trained tax counselors are available Monday through Friday, 8 a.m. to 10 p.m. Eastern time year-round and with extended hours during tax season: seven days a week from 7 a.m. to 11 p.m. Eastern time.

Reminders

- Be sure to access the online tax preparation and filing software through the link provided on the Military OneSource website.

- Remember to wait until you receive all of your W-2s and other tax documents before you file your return. Otherwise, you may have to amend your return.
- Remember that e-filing is subject to the Internal Revenue Service calendar. Though you may be able to complete your return, it will not be submitted to the Internal Revenue Service until the Internal Revenue Service begins accepting e-file returns. For more information, access the [IRS.gov](https://www.irs.gov) website.
- If you are prompted for payment of any kind while using the no-cost service, please call Military OneSource (800-342-9647) immediately for assistance.
- No-cost filing through Military OneSource allows for one federal and up to three state returns per user.

Best practices for filing your taxes

- Have all of your documents and information ready when preparing your taxes (Social Security number, Taxpayer Identification Numbers, W-2s, 1099 forms, expense documents, bank account information in case of refund, etc.).
- Be sure to disclose all of your income from the year (including wages, investments, etc.).
- Determine the best way to file for yourself (prepare your taxes online, paper file or take them to a preparer).
- File early (it's best to do it once you receive all of your documents, reducing the risk of misplacing them, reducing the wait time for receiving a refund and/or avoiding penalties for late filing).

Military W-2s

You may have access to military W-2s and other tax statements through your [myPay](#) account on the [Defense Finance and Accounting Service website](#). Please note that:

- A schedule for when these tax statements will be available on myPay or mailed to your address is usually posted on the [Defense Finance and Accounting Service website](#) between mid-November and mid-December each year.
- Service members who have separated may also access myPay for a year after separation. Therefore, it is important to keep myPay login information available, as it will save time when you are ready to file your taxes. For more information, visit the [myPay website](#).

NURSE ADVICE LINE

Fall is almost here, and that means weekend trips and holidays for the military Family. If you and your family have a medical problem while traveling this fall you can call the Nurse Advice Line (NAL) while on the road for all of your health concerns and needs.

The NAL is the Military Health System's new initiative to improve ready access to safe, high quality care. Calling the NAL gives you access to the advice you need at the right time. Call 1-800-TRICARE (874-2273), Option 1 [or (719) 524-2273, Option 3] to talk to a registered nurse (RN) who can answer your urgent care questions, give you health care advice, help you find a doctor or schedule a next-day appointment at a military hospital or clinic.

If you or a member of your family gets ill while you are traveling, calling the NAL can help you figure out what steps to take. The nurse will ask you questions about the symptoms that you or your family member are experiencing and provide advice on whether you need to seek care and when. When you are traveling, the NAL nurse will help you find a safe, high-quality health care facility in the TRICARE network. If you are a military hospital or clinic enrollee, the NAL will send a follow-up note to your primary care manager and medical team back home so they know how you are doing.

You can safely travel with TRICARE and the NAL. The NAL is available 24/7. For more information on accessing the NAL while on the go, visit <http://www.TRICARE.mil/NAL>.
